The Project is Lapeer Community Schools, Lapeer East High Science Lab located at 933 S. Saginaw Street, Lapeer, MI. 48446 and Lapeer West High Science Lab located at 170 Millville Road, Lapeer, MI. 48446. Lapeer East High School Science Lab renovation is (+/-) 8,300 sq. ft. and Lapeer West High School Science Lab renovation is (+/-) 9,200 of science class room renovations and miscellaneous architectural/mechanical/electrical upgrades.

Lapeer East and West High School Science Lab construction will begin at the end of June 2009 and turn over to the Lapeer Community Schools by August 21, 2009. Reference the schedule behind Section 00230.

A Pre-Bid is scheduled for March 5, 2009 at 2:00pm. Pre-Bid will be held at the Woodside Middle School (3149 Woodside Drive, Lapeer, MI. 48446, just south of Genesee between Lapeer Road and Lake Nepessing Road).

All bidders must be pre-qualified and in good standing with Barton Malow Company. In order to be pre-qualified with Barton Malow contractors must fill out and return a completed Contractor Pre-Qualification packet providing financial, safety, insurance, bonding, and legal information. Contained in the packet is also an agreement to Barton Malow's terms and conditions as well as safety program requirements. Contractors must sign and return the agreement with their information packet. Contact Sandy Cairns or Sarah Philips at BMC if you have questions regarding pre-qualification (248) 436-5000.

A \$50 nonrefundable fee is required for Lapeer East and West High School Science Lab drawings. Checks only, NO CASH. Checks must be made out to Lapeer Community Schools. **Drawings and specs will be available on March 2, 2009.**
